

Checking Out

Dear Student,

We hope you had a great stay at Buckley Hall and we hope you will stay with us again.

Please note, **your latest check out time is 12pm (mid-day)** on the last day of your licence. You can checkout 24 hours per day 7 days per week. Please email your estimated check out date and time to info@buckleyhall.ie with your booking ID, Name, Apartment and the words Check Out in the subject heading, especially if you are planning on checking out a number of weeks in advance of your licence end date.

This helps our staff co-ordinate the checkouts and apartment checks in the most efficient manner. Please see below on the standard of which your apartment should be left. It should be left as you received it and ready for the next student to check into. It also allows our staff to quickly check and ensure all inventory is in place and working.

If the apartment is not cleaned or returned as standard, **a cleaning charge of 50€ per person maybe deducted from your deposit.** Please see link to find inventory that should be in your apartment on vacating the apartment. Any loss in inventory maybe deducted from your deposit. The apartment standard inventory list is available here. If you are missing inventory please contact us now and list using [our contact us page](#). Please also highlight any outstanding maintenance issues with your apartment well in advance of checkout otherwise they may be deducted from your deposit.

List the issues using the contact form [here](#) on our website. When exiting the building please leave your keys in the Key Drop Box found beside the entrance to the laundry room and make your way out the Buckingham St exit ramp.

Any keys left anywhere else will be fined €20. Any keys/fobs not returned at all will be fined as per the standard terms and conditions. Your deposit will be refunded inline with your [licence terms and conditions](#).

We hope you had a great stay and hope that you will stay with us again.

Kind Regards,

The Buckley Hall Management Team
